Plantation is a private, member owned club. Plantation will extend "advance" practice round opportunities to all contestants in the Stage II Qualifying tournament starting September 1st. Carts will be required for all play. Tee times may be made three days in advance. Practice rounds, use of the range, chipping and putting areas will be available after 11:00am daily on a space available basis. The 18 hole cart fee will be \$50.00, which includes tax and range balls. Non-playing guests of a contestant (caddie or other) will be required to pay a riding fee of \$25.00. All persons (including caddies, family, and spectators) going onto the golf course before the official practice rounds are required to take a cart. Caddies & spectators may not walk at any time on the courses prior to the official practice rounds. No more than two carts per group.
